# Lightbox 60 - BeMatrix compatible

Single-sided LED frame

- ⬤ NF-04604
- ● NF-21604
- ○ NF-56604
- 🌈 Any colour possible

Specifications

- ↔ 60 mm
- 🧰 1.03 kilos/metre
- ↗ 6150 mm
- 💡 Illuminated
- Ⓒ CE certified
- ✔ Two-year warranty

About the Lightbox 60 - BeMatrix compatible

The Lightbox 60 profile has many advantages and offers a range of options. An important benefit is its compatibility with the BeMatrix profiles. This allows you to easily integrate an illuminated or non-illuminated textile frame into the BeMatrix frame system. This is possible in the 14 standard BeMatrix formats.

The advantages

- ✔ Seamless integration into a BeMatrix exhibition wall
- ✔ Choice of 14 BeMatrix formats
- ✔ Easily connectable with BeMatrix connectors
- ✔ Extra groove on the back

Lightbox 60 - BeMatrix compatible Single-sided LED frame
